UNITED STATES MARINE CORPS
Camp Le Jeune
NORTH CAROLINA

Dear Mrs. Manley,

I am writing you in reguards to a try out with your team. For the last three years I have been playing here in the Marine Corps. Before I came in I played with a team in the Negro Amer. league.

I am expecting to be discharged the first of Apr. or before. I am 24. years old, 5.11 and weigh 170.

I play 3 base and outfield and batted 340 for this Marine team last year. I am a lefthand batter.

I received a letter from you in reguards to playing just before I went in the service.

I will close now expecting to hear from you real soon.

Yours in Sport
